

# Home Renovation Rebate Program and CleanBC Home Efficiency Rebates

## Utility Account Holder Consent

We're working together to help B.C. save energy

### Important notes

- Energy-efficiency upgrades have been made to a home serviced by a utility account in your name. The home's registered property owner or your Strata Corporation has applied to the Home Renovation Rebate Program and CleanBC Home Efficiency Rebates<sup>1</sup> (the "Program"). The Program is administered by FortisBC Energy Inc., FortisBC Inc. and BC Hydro (collectively, FortisBC Energy Inc., FortisBC Inc. and BC Hydro are the "Administrators").
- To administer the Program, evaluate the effectiveness of the Program, and undertake analysis and research to inform changes to existing programs and the design of new energy-efficiency programs, the Administrators may need to collect, use and disclose your personal information, including your electricity and/or natural gas account(s) billing and consumption data. The purpose of this form is to acquire your consent to the collection, use and disclosure of your personal information.
- This Consent Form is to be completed by the primary utility account holder(s) or authorized signatory where the utility account is not in the registered property owner's name.
- Find your account number on your last utility bill or by calling **1-800-BCHYDRO** for your BC Hydro account number, **1-888-224-2710** for your FortisBC Gas account number, or **1-866-436-7847** for your FortisBC electric account number.
