

# Permission to enter on private property

I/We \_\_\_\_\_  
of \_\_\_\_\_

the registered owner (s) or occupant(s) of the lands and premises (hereinafter called "the land") described as follows:

do hereby consent to British Columbia Hydro and Power Authority (hereinafter called ("BC Hydro")) entering on the land:

- (a) 1. To survey and take levels of the land and to carry out investigations;
- 2. To construct, erect, string, operate, maintain, remove and replace poles with anchors, guy wires, transformers and other attachments and one or more lines of wire; and
- 3. To install, maintain, remove and replace one or more underground conduits and cables with attachments and fittings,

for purposes connected with distribution of electric energy;

- (b) To clear the land to such an extent as may be required for the purposes aforesaid;
- (c) To pass and repass over the land for the purpose of ingress and egress for any of the purposes aforesaid; and
- (d) To do any act or thing reasonably necessary in connection with the foregoing.

I/We hereby agree that any of BC Hydro's works or part thereof placed upon or within the land shall remain the property of BC Hydro and shall not be deemed to increase the value of the land.

I/We will in addition to this letter of permission and upon the request of BC Hydro execute a Statutory Right of Way Agreement granting to BC Hydro a Statutory Right of Way which said Agreement shall be registered against the land.
