

Transformer Rental Agreement

Transformer Rental Agreement made as of the _____ day of _____ 20 ____

The undersigned _____ of _____, B.C., offer(s) to hire from British Columbia Hydro and Power Authority (hereinafter called BC Hydro) on the terms set out below the apparatus listed overleaf which will be supplied at _____ for installation in premises at:

1. BC Hydro shall let and the undersigned, as occupier of the said premises, shall hire the said apparatus, valued at \$ _____, for a period of _____ months from the date of acceptance hereof and thereafter from month to month and the undersigned shall pay BC Hydro therefor the sum of \$ _____ in each and every month commencing from the _____.
2. The undersigned shall be responsible for collecting the said apparatus from the BC Hydro store at _____ and installing it and, on the termination of this agreement, notifying BC Hydro that the said apparatus will be disconnected and returned all in good order and working condition to the BC Hydro store at _____ or such other place as BC Hydro may direct. If the undersigned fails so to disconnect and return the said apparatus, BC Hydro may do so at the expense of the undersigned.
3. The undersigned shall not do or permit to be done on the said premises anything which may endanger or adversely affect the operation of the said apparatus without first notifying BC Hydro and receiving its permission therefor in writing.
4. The undersigned is responsible for inspecting the apparatus on a regular basis and for reporting any weepage or corrosion to BC Hydro.
5. All persons authorized by BC Hydro shall at all times during the continuance of this agreement be permitted to inspect the condition of the said apparatus.
6. BC Hydro shall not be liable for any damage or loss howsoever caused by the said apparatus or any defect herein.
7. It is agreed that so long as the undersigned remains a customer of BC Hydro for electrical energy, then notwithstanding the time fixed for payment of the above monthly payment, and said monthly payment shall at the option of BC Hydro become due and payable at the same time as the undersigned's monthly charge for electrical energy.
8. The apparatus herein referred to shall not by reason of attachment or connection to any land or building become or be deemed a fixture or appurtenant to such land or building and shall at all times be severable therefrom and shall be and remain at all times the property of BC Hydro free of any claim or right of the undersigned.
9. Either party shall have the right at any time after the said period of _____ months to cancel this agreement on giving to the other one month's written notice of its desire to terminate the agreement.
10. The undersigned shall take good care of and protect the said apparatus and, if the said apparatus or any part thereof is lost or damaged shall, when required, pay to the Authority the cost of replacing or repairing the same and subject thereto BC Hydro shall maintain the said apparatus during the life of this agreement without charge to the undersigned. The undersigned shall not sell, remove or part with possession of the said apparatus, or allow the same to be sold or removed, without the written consent of BC Hydro.

.....

This offer when accepted by BC Hydro shall constitute the whole of the agreement and shall cancel any previous transformer rental agreement between the parties; no additional or other arrangements made by BC Hydro representatives will be recognized by BC Hydro.
