Dear Sirs/Madams

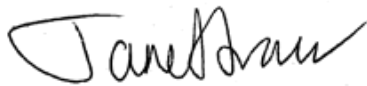

**RE: British Columbia Hydro and Power Authority (BC Hydro)
Open Access Transmission Tariff (OATT)
Enforcement Mechanism and Balancing Area Transmission Service
Application (the Application)**

In its letter dated January 10, 2014 regarding the Headroom Tariff Consultation Workshop, BC Hydro stated that it intended to file the subject Application (previously referred to as the 'Headroom Tariff' application) with the British Columbia Utilities Commission in late February 2014.

BC Hydro advises that as the result of ongoing discussions with the Alberta Electric System Operator, BC Hydro has put its Application in abeyance.

For further information, please contact Gordon Doyle at 604-623-3815 or by email at bchydroregulatorygroup@bchydro.com.

Yours sincerely,

Janet Fraser

Chief Regulatory Officer
