EMPLOYEE ENERGY AWARENESS

Your employees can be your best energy efficiency resource.

We've created a variety of free materials that you can use around your facilities to remind, educate, and introduce new operational procedures.

HERE'S WHAT WE OFFER

CAMPAIGN MATERIALS

Planning guide and posters are available through our website; stickers, tool talk cards and a compressed air leak tag kit can be ordered through your Key Account Manager.

- **Planning Guide**—This downloadable guide will assist you in planning your campaign and engaging your employees in workplace energy efficiency.
- **Posters**—These downloadable posters can be used to raise awareness around a number of efficiency topics, including high-consumption systems like pumps, air compressors, fans and blowers, and lighting.
- **Stickers**—These point-of-use stickers remind your team to report inefficient equipment.
- **Tool Talk Cards**—These question-and-answer cards are invaluable for education at crew meetings, covering both introductory and advanced topics.
- **Compressed Air Leak Tag Kit**—This comprehensive kit includes tools to help your employees identify and report compressed air leaks at your facility.

ADDITIONAL OFFERS FOR INDUSTRIAL POWER SMART ENERGY MANAGERS

- 100 per cent funding for a professionally facilitated on-site planning workshop.
- Generous funding for awareness events, including on-site assistance from our Community Outreach Team.
- Funding towards energy-efficient giveaways for employees (e.g. CFL lighting packages and LED holiday lights).
