

Home Renovation Rebates Receipt Requirements

Receipts need to have all the information identified in the list below in order to meet the program requirements. A pre-upgrade EnerGuide home evaluation must be completed before the installation of draftproofing upgrades. A post-upgrade EnerGuide home evaluation must also be completed after the installation of these upgrades. For more information, including full terms and conditions and application forms, visit bchydro.com/homerebates or fortisbc.com/homerebates.
