

APPLIANCE REBATES

CLOTHES WASHER AND DRYER PAIRS

From October 1 – November 30, 2015 a wide variety of ENERGY STAR® washers and dryers qualify for our appliance rebates. To help you find qualifying washers and dryers that work as pairs (design, colour and size), we have compiled a list below.

Appliances do not need to be purchased in pairs to receive individual rebates. Application and proof of purchase must be submitted within 60 days from date of purchase.
