

BC Hydro Olympic Tickets

BC Hydro has posted detailed information about its operational role, marketing opportunities and expenditures for the 2010 Vancouver Winter Olympic Games. This information can be found here: http://www.bchydro.com/about/company_information/openness_accountability.html

BC Hydro is also releasing the names of some individuals and all organizations that received tickets from BC Hydro during the 2010 Games. The published list is as complete as possible at this time. BC Hydro is pursuing third-party consultations with the remaining ticket recipients. We hope to complete the consultation process within approximately 45 days and thereafter disclose remaining names in accordance with the outcome of the consultations.
