Ms. Erica M. Hamilton  
Commission Secretary  
British Columbia Utilities Commission  
Sixth Floor – 900 Howe Street  
Vancouver, BC V6Z 2N3

Dear Ms. Hamilton:

**RE: British Columbia Utilities Commission (BCUC)  
British Columbia Hydro and Power Authority (BC Hydro)  
2007 Network Economy Annual Report**

---

BC Hydro is writing to the BCUC with regard to the 2007 Network Economy Annual Report, and in particular, to request an extension to the filing date as set out in the Settlement Agreement attached as Appendix 1 to BCUC Order No. G-12-06.

Section 10 of the Settlement Agreement requires that BC Hydro prepare an annual report for each calendar year which will discuss the annual domestic volumes allocated under the Transfer Pricing Agreement and the net amount of energy imported using Network Economy Service that has passed the Economic Test set out in paragraph 2 of Attachment Q. BC Hydro has begun drafting the annual report and in that process has determined that the information that is required for the annual report is not readily accessible within the existing information system. BC Hydro is confident that it will be able to fulfill the requirements for the annual report, but will require a few more days to ensure that the data used is accurate.

BC Hydro therefore respectfully requests that the BCUC grant a four day extension to the date required to file the 2007 Network Economy Annual Report from March 31, 2008 to April 4, 2008.

For further information please contact Fred James at 604-623-4317.

Yours sincerely,

Joanna Sofield  
Chief Regulatory Officer
