1.0 Please provide a detailed listing of all payments by BC Hydro of taxes, grants-in-lieu, generation grants, and other similar payments to municipalities, regional districts and the Province of BC, for the most recent year on record. Of particular interest are payments for taxes or grants-in-lieu for BC Hydro facilities located outside municipal boundaries, but within regional district electoral areas, for which payments are made to the Province. A listing of these by regional district is requested. Water rentals and dividend payments to the Province should be included in the information.

**RESPONSE:**

A. Property tax and grant payments are made in early July of each year while water rental payments to the Province are made in March and September of each year. The water rental payments are based on the prior years generation. The dividend payment to the Province is made at the end of June of each year with respect to the financial results of the most recently completed fiscal year. Payments made in Calendar 2002 were as follows (in \$ millions):

School taxes (1)	98.6
Grants	42.0
General and Other Tax	0.7
Corporation Capital tax (2)	9.3
Water rental payments	218.5
Dividend to the Province	332.4
<b>TOTAL</b>	<b>701.5</b>

(1) These taxes are collected by the Municipalities/Districts on behalf of the Province

(2) This tax was phased-out in September 2002.

Attached is a detailed listing of the property tax and grant payments made to the Province and Municipalities.
