SESSION #2	
INTERCONNECTION PROCESS FOR PHASE I OF THE BIOENERGY CALL	
1:30 - 5:00	BC Transmission Corporation and BC Hydro <ul style="list-style-type: none">• Transmission Interconnection Process• Distribution Interconnection Process• Data Requirements and Studies

NOTE: This Information Meeting is divided into two sessions. The morning session is intended as an overview of the Bioenergy Call to help communicate the current status of activities to First Nations and Stakeholders as well as provide potential registrants with more information to assist them in their decision on whether to participate in the current RFP.

Please register with [BC Hydro](#) if you are interested in attending the morning session.

The afternoon session is being conducted by BCTC and will provide important details and deadlines for the transmission and distribution interconnection processes. In responding to the Phase I Bioenergy RFP, it will be important to have knowledge of, and adhere to, these interconnection processes.

Please register with [BCTC](#) if you are interested in attending the afternoon session.
