**Number: 5**

**Issue Date: 31 March 2006**

**Subject: Quantitative Bid Price Adjustments – Interconnection and Transmission Adjustment  
General Terms and Conditions - Unavailable Service-Providers  
EPA Amendments**

Words and phrases defined in the CFT Glossary and in Appendix 1 of the Standard Form EPAs and used in this Addendum have the meanings given in those documents, unless otherwise defined herein. References to section numbers mean sections of the F2006 Call for Tenders document, unless otherwise specified.

**Quantitative Bid Price Adjustments – Interconnection and Transmission Adjustment**

1. Section 15.4, under the heading “*Large Project Bid Price Adjustments*”, is revised by adding the words “or, in the case of Split Bids, the highest Split Bid Threshold Level” after the words “Plant Capacity” in both places where those words appear in the last sentence of the first paragraph under the bullet titled “*Interconnection and Transmission Adjustment*”.

**General Terms and Conditions - Unavailable Service-Providers:**

2. Section 17.19 is amended by adding the following to the list of unavailable service-providers:

Golder Ecofys Solutions Ltd.

3. Section 17.19 is further amended by adding the following paragraph:

“Notwithstanding the foregoing, Bidders may retain an Affiliate or Affiliates of Golder Ecofys Solutions Ltd. in connection with their participation in the CFT, but excluding any matters relating to GHG issues in connection with the CFT including, without limitation, preparation of, or advice with respect to, any GHG mitigation plan for any Project that will be included in any Tender in the CFT. Any Bidders that have retained, or intend to retain, an Affiliate of Golder Ecofys Solutions Ltd. in connection with their participation in the CFT should ensure that appropriate steps are taken by Golder Ecofys Solutions Ltd. and the relevant Affiliate(s) to prevent any information with respect to the Bidder or its Project or any aspect of the Bidder’s participation in the CFT being disclosed to Golder Ecofys Solutions Ltd. or any employee of Golder Ecofys Solutions Ltd. or any of its Affiliates involved in providing advice to BC Hydro in connection with the CFT.”

**Large Project EPA and Small Project EPA**

4. Section 3.1 in each of the Large Project EPA and the Small Project EPA is amended by adding the following after the word “alter”:

“, or require, as a condition of the acceptance for filing, a material alteration to,”.
