

**What do you think about BC Hydro's proposed changes?**

**Name:** \_\_\_\_\_

**Feedback Form for BC Hydro's  
2007 Rate Design Application Distribution Extension Policy**

BC Hydro is seeking your input on several key issues regarding its extension policy. Please take the time to fill this form out and return it to BC Hydro, so that your comments can be considered in BC Hydro's 2007 Rate Design Application.

For the following questions, please circle the appropriate response indicating your position on this change and add any additional comments you think are necessary.

#1 – BC Hydro is proposing to change how private property is treated to provide a fairer treatment for facilities on private property.

I oppose this  
proposed change

I am neutral on this  
proposed change

I support this  
proposed change

Comments on #1:
