

VANCOUVER ISLAND – CALL FOR TENDERS

ADDENDUM

Addendum Number: 2

Date of Issue: 14 November 2003

Subject: Document Comment Form

1. This Addendum is issued pursuant to the BC Hydro Call for Tenders for Capacity and Associated Energy on Vancouver Island, issued 31 October 2003 (the “CFT”).
2. Words and phrases defined in the CFT and used herein have the meanings given in the CFT, unless otherwise indicated. Refer to Appendix 1 of the CFT for definitions.
3. Section 9.5 of the CFT permits bidders to submit written comments to BC Hydro on the CFT process and the Preliminary Form Agreements after the Pre-Qualification Workshop and on or before the date specified in the CFT Schedule.
4. General Instructions, a Bidder Information Sheet and Comment Sheet are posted with this Addendum. Bidders must use these forms to submit their comments.
5. The Document Comment Form consists of a Bidder Information Sheet and a Comment Sheet. It is designed so that bidder comments can be separated from the identity of the bidder, allowing bidder comments to be considered and posted to <http://bchydro.com/vicft> without attribution to the bidder.
6. BC Hydro will consider all comments submitted, without regard to the Bidder Information Sheets, and may revise the CFT and/or the Preliminary Form Agreements, highlighting revisions, if any, arising from bidder comments.
7. BC Hydro will file any revised CFT, including the Preliminary Form Agreements, with the BCUC by the date shown in the CFT Schedule and request BCUC approval by the date shown for approval in the CFT Schedule. BC Hydro will also file a complete copy of all bidder comments, including the Bidder Information Sheets with the identity of bidders disclosed, with the BCUC, and will request that the BCUC keep confidential the Bidder Information Sheets identifying bidders submitting particular comments.
8. BC Hydro will also post all bidder comments, without Bidder Information Sheets, to <http://bcydro.com/vicft>.
9. Bidders who wish their comments to be considered and published without attribution are responsible for framing their comments in the Comment Sheet in such a way that the bidder cannot be identified. BC Hydro will not edit comments or take any other measures to protect the identity of the commenting bidder, except (i) publishing only the Comment Sheet, and not the Bidder Information Sheet, and (ii) requesting the BCUC to protect the confidentiality of bidder identities.
