

VANCOUVER ISLAND – CALL FOR TENDERS

ADDENDUM

Addendum Number: 20

Date of Issue: 30 July 2004

Subject: **Dual Fuel Capability
Revised Final Form EPA
Revised Agreement Information Form and Price Information Form
Change in Bidder**

1. This Addendum is issued pursuant to the BC Hydro Call for Tenders for Capacity and Associated Energy Supply on Vancouver Island, issued 31 October 2003, as amended (“CFT”).

2. Words and phrases defined in the CFT and used herein have the meanings given in the CFT, unless otherwise indicated. Refer to Appendix 1 of the CFT for definitions.

3. **Dual Fuel Capability:** Section 3.4.4 of the Quantitative Evaluation Methodology is amended by deleting the last sentence in the third paragraph of that section and replacing it with the following:

“For this purpose, “dual fuel capability” means that the plant meets the standards stipulated in Appendix 17, Part I or Part J, as applicable, of the Final Form EPA.”

4. **Revised Final Form EPA:** The Final Form EPA has been revised, is issued and posted with this Addendum in clean and blacklined form, and is available at <http://www.bchydro.com/vicft>. The blacklined form of the revised Final Form EPA shows changes from the prior version issued 23 June 2004. The revised Final Form EPA includes a tender data number (eg. [EPA1]) indicating the location in the EPA of each item of tender data as set out in the Agreement Information Form and Price Information Form. BC Hydro has also made a number of revisions to the Final Form EPA to address issues previously raised by bidders in the CFT process or as required to correct errors or to provide further clarification with respect to certain issues in the Final Form EPA.

5. **Tender General Instructions, Tender Form, Agreement Information Form and Price Information Form:** The Tender General Instructions, Tender Form, Agreement Information Form and Price Information Form have been revised and are issued and posted with this Addendum and are available at <http://www.bchydro.com/vicft>. **All Tenders must be filed using the latest version of the Tender Form, Agreement Information Form and Price Information Form.** The Tender Security, Development Risk Guidelines, Supplementary Financial Information Guidelines and Fuel Supply Certainty Guidelines have not changed and remain dated 30 June, 2004.

6. **Change in Bidder:** As indicated in Addendum 14 to the CFT, an Affiliate of a registered bidder may submit a Tender, provided that the requirements of Addendum 14 are satisfied. Bidders must provide the written consent of the pre-qualified entity to the Tender being submitted by the Affiliate and evidence that the entity submitting the Tender is an Affiliate of the pre-qualified entity. These documents should be submitted in Part 1 of Envelope #1 of the Tender.

7. **Documents Issued Concurrently:** The following documents referenced herein are issued concurrently with this Addendum and are available at <http://www.bchydro.com/vicft>:
