Peace River Regional District

BCUC Inquiry regarding Heritage Contract and Stepped Rates

Information Request #1, to BC Hydro:

Our Chair, Karen Goodings has requested the following information:

Please provide a detailed listing of all payments by BC Hydro of taxes, grants-in-lieu, generation grants, and other similar payments to municipalities, regional districts and the Province of BC, for the most recent year on record. Of particular interest are payments for taxes or grants-in-lieu for BC Hydro facilities located outside municipal boundaries, but within regional district electoral areas, for which payments are made to the Province. A listing of these by regional district is requested. Water rentals and dividend payments to the Province should be included in the information.

Thank you,

Sharon Caisley

Executive Secretary

Peace River Regional District

Robert Pellatt

Commission Secretary
