

VANCOUVER ISLAND – CALL FOR TENDERS

CONSENT TO DISCLOSURE

TO: British Columbia Transmission Corporation (“BCTC”)
British Columbia Hydro and Power Authority (“BC Hydro”)

The undersigned registered and pre-qualified bidder hereby authorizes and consents to:

- BCTC disclosing to BC Hydro, directly or through other reports or studies related to portfolios or projects, any Interconnection Study application submitted by the bidder to BCTC in respect of a project that is pre-qualified under the BC Hydro Call for Tenders for Capacity and Associated Energy Supply on Vancouver Island, Issued 31 October 2003, as amended (“CFT”), all further submissions to BCTC relative to the application and discussions between the bidder and BCTC in relation thereto, and all reports prepared and delivered to the bidder in response to such application; and
- BC Hydro disclosing to BCTC information contained in any Pre-Qualification Submission and in any Tender submitted by the bidder to BC Hydro in respect of a project that is pre-qualified under the CFT, excluding however any tendered prices contained in any Tender, and all further submissions and discussions between the bidder and BC Hydro relative thereto,

All as BCTC and BC Hydro determine to be reasonably required to facilitate efficient administration of Interconnection Studies, Network Upgrade Studies, and the CFT.
