

ADDENDUM

Number: 2

Issue Date: July 6, 2010

Subject: BC Hydro Background
Evaluation Criteria
Interconnection Matters
Regulatory and Legal Matters
Schedule 1 – Definitions
Schedule 6 – Proposal Guide

Words and phrases defined in the RFQ and used in this Addendum have the meanings given in the RFQ, unless otherwise defined herein. References to section numbers mean sections of the RFQ, unless otherwise specified.

1. **BC Hydro Background**

Section 4 of the RFQ is amended by deleting the second to last sentence and replacing it with the following: “The integrated System is comprised of the high voltage Transmission System and the lower voltage Distribution System.”.

2. **Evaluation Criteria**

Section 7 of the RFQ is amended by deleting the words “or BCTC” in the second bullet of section D: *Other Evaluation Factors*.

3. **Interconnection Matters**

Section 11 of the RFQ is amended by deleting the fourth paragraph and replacing it with the following:

“After the RFQ is complete and Qualified Proposals are identified, a signed Feasibility Interconnection Study agreement (for Transmission System-connected Projects) or a signed Preliminary Interconnection Study agreement (for Distribution System-connected Projects) for the Qualified Proposals, together with the required study fee deposit (another \$15,000), must be filed with BC Hydro for such Projects. Each completed interconnection study will be provided to the Respondent upon completion.”

4. **Regulatory and Legal Matters**

Section 17 of the RFQ is amended by adding the following sentence at the end of the first paragraph:

“The *Clean Energy Act* (British Columbia) does not exempt this RFQ from section 71 of the Act.”

5. **Schedule 1 – Definitions**

Schedule 1 of the RFQ is amended by:

- (a) deleting the definition of “BCTC”; and
- (b) deleting the definition of “Transmission System” and replacing it with the following:

“**Transmission System**” means the transmission, substation, protection, control and communication facilities owned and operated by BC Hydro in British Columbia, and includes all additions and modifications thereto and repairs or replacements thereof.”

6. **Schedule 6 – Proposal Guide**

Section 3.6(b) of Schedule 6 – Proposal Guide is amended by deleting the words “and BCTC”.
