

SCHEDULE A**Redacted Information Requests****Accenture-Related**

BCOAPO IR #1.83.0(a): Portions of the October 2002 Customer Information System Replacement business case have been redacted for reasons related to BC Hydro's confidentiality obligations (pages 4, 8, 39, 40, 41, 42, 43, 44; Appendix D, page 17; Appendix E; and Appendix S, page 1) and because of proprietary or competitively sensitive information that third parties supplied to BC Hydro in confidence (Appendix P). The names of individual project managers have also been redacted.

Other

BCUC IR #2.120.0: Proprietary information of third party consultants that was provided to BC Hydro in confidence has been removed from the R&D project business cases.

BCUC IR #2.172.0: BC Hydro's confidential assessments of various vendors have been redacted from the May 2000 Grid Operation Capability Project business case (Appendices D and E).

JIESC IR #1.4.0(a): Pricing provisions in the Entitlement Assignment Agreement ("Agreement") (Appendix 1, page 1-2) and Entitlement Assignment Agreement Amendment (page 1) have been redacted as required by section 16.9 of the Agreement.

JIESC IR #1.21.0(d): The documentation on the Heber Diversion decommissioning has been redacted to remove details of voting by individual Committee members, which are confidential.
