Attention: Robert J. Pellatt, Commission Secretary

Dear Mr. Pellatt:

Re: BC Hydro Revenue Requirements 2004/05 and 2005/06 Application

In advance of and to facilitate the pre-hearing conference set for January 14, BC Hydro provides the following list of materials it expects to be filing prior to the commencement of the oral phase of the proceeding:

1. an Integrated Electricity Plan and an updated Action Plan;
2. to the extent necessary, updates to the forecast financial schedules; and
3. direct testimony of witnesses;

The above list is not intended to be exhaustive, and BC Hydro reserves the right to file other material as required, including, for example, rebuttal evidence.

Yours very truly

LAWSON LUNDELL
