Dear Mr. Pellatt:

**RE: British Columbia Hydro and Power Authority ("BC Hydro")
Project No. 36983620 – Letter No. G-84-03
Revenue Requirements 2004/05 and 2005/06 Application**

As indicated in the June 30, 2004 cover letter to BC Hydro's Final Argument, the response to one last undertaking was delayed because a mistake was discovered in a table. The undertaking was at T14: 2216-2222 and 2244-2247 and the response is attached.

We have also discovered that some information was omitted from page 41 of the June Financial Undertaking filed on June 30 because of a formatting mistake. A re-formatted version is attached.

Yours very truly,

LAWSON LUNDELL
