1.0 General Overview

This Operating Level Agreement (“**OLA**”) is an Appendix to and forms part of, Schedule 4.2 to the AMSA. For the purposes of this OLA, “the Agreement” shall mean the AMSA, “BC Hydro” shall mean BCH, and “ABSU” shall mean ABSBC.

1.1 OLA Period

This OLA remains in effect for the duration of the Agreement.

1.2 OLA Review and Revision

The OLA may be reviewed at any time, and will be reviewed at least annually. The OLA will be changed through the Change Order Request (“COR”) process of the Agreement.

1.3 OLA Interpretation and Application

This OLA shall be interpreted and applied as described in section 2.7 of this Schedule 4.2 to this Agreement.

2.0 Contact Information

2.1 OLA Administrative Contact Information

The OLA owner manages this OLA and is the review point of contact. The business owner defines the requirements and receives operational reports.
