Dear Ms. Fraser & Ms. Sofield:

Re: British Columbia Transmission Corporation ("BCTC") and
British Columbia Hydro and Power Authority ("BC Hydro")
Applications for Exceptions to Standards of Conduct

On May 16, 2008 BCTC filed an Application for an exception to its Standards of Conduct in order to enable it to permit designated BC Hydro employees to have access to non-public transmission related information for the purposes of engaging in integrated system planning and resource acquisition.

Also on May 16, 2008, BC Hydro filed an Application for an exception to the non-disclosure rules of BC Hydro's Standards of Conduct so that designated BC Hydro personnel may have access to BCTC's non-public transmission related information for integrated system planning and resource acquisition purposes.

By copy of this letter, the Commission requests that interested parties provide comments, if any, on the BCTC and BC Hydro Applications by Tuesday, June 10, 2008, and that BCTC and BC Hydro provide reply comments by Monday, June 16, 2008.

Yours truly,

Erica M. Hamilton
