

**BRITISH COLUMBIA HYDRO AND POWER AUTHORITY (“BC HYDRO”)
ENERGY SAVING KIT PROGRAM CONTEST**

OFFICIAL Rules and Regulations

Eligibility

The contest (“Contest”) is open only to residents of British Columbia age thirteen (13) years or older, who qualify for and participate in BC Hydro’s Energy Saving Kit program (see http://www.bchydro.com/powersmart/residential/energy_saving_kits.html) and who have received the postage-paid Contest survey with or after receipt of their energy saving kit. Contest is not open to employees, and members of the immediate families and/or household members of employees, of BC Hydro.

How to Enter

No purchase required. Limit one entry per eligible entrant. To be entered in the contest, complete the Contest Survey (identified as “*Complete this survey for your chance to win a \$50 VISA gift card*”) received from BC Hydro, including checking the box to indicate that you would like to be entered in the Contest and completing the requested name and contact information, and return it to BC Hydro in the envelope provided. LIMIT one entry per person.

Prizes/Odds

There is one fifty dollar (\$50Cdn.) VISA gift card available to be won each time BC Hydro receives five hundred (500) completed surveys. The chances of winning are 1 in 500. Prize must be accepted as offered; there is no cash alternative. BC Hydro reserves the right to substitute a prize of equivalent value if any component of the prize cannot be awarded as described. All decisions of BC Hydro are final in all matters relating to this contest. Should BC Hydro elect to terminate this offer, which it reserves the right to do at any time in its discretion, a final draw will be conducted from all remaining eligible entries, which may be fewer than 500, and the chances of winning the prize in such draw will then depend on the number or eligible entries included in that draw.

Administration

A random draw will be within 90 days of BC Hydro receiving five hundred (500) completed surveys since the beginning of the Contest or since the last draw, as the case may be. Each selected entrant, before being declared a winner, will be contacted by telephone or email within two (2) weeks of the draw, and will be required to correctly answer a mathematical skill-testing question and sign a standard Declaration, Release and Waiver of Liability form, confirming compliance with the contest rules, acceptance of prize as offered, acknowledging that BC Hydro and its agents are not responsible for any injury, accident, loss or misfortune relating to the prize and consenting to the use of their name, image, voice and statements for promotional purposes relating to the contest. Should a selected entrant be under the age of nineteen (19) years, that person’s prize will

be awarded to their parent or guardian who will be required to sign the Declaration, Release and Waiver of Liability form on the selected entrant's behalf. Should BC Hydro be unable to contact a selected entrant after making at least three (3) attempts over a two-week period following the draw in which that entrant was selected, or if a selected entrant is contacted but is unwilling or unable to comply in full with these official contest rules, that entrant will be disqualified and BC Hydro may, at its discretion, select another entry from the remaining entries received for that draw.

Conditions

By participating in the contest, the participant accepts and agrees to these rules and the decisions made by BC Hydro, which shall be final and legally binding. Contest prizes must be accepted as awarded. By entering, the winner agrees to the use of his/her name, address, photographs, voice and statements for advertising and promotional purposes without compensation other than the prize awarded.

BC Hydro and its agents are not responsible for survey responses lost or misplaced for any reason, including negligence, or for illegible, incomplete, or late entries, which will be void. Any attempt to deliberately damage any website or to undermine the legitimate operation of this promotion is a violation of criminal and civil laws, and should such an attempt be made, BC Hydro reserves the right to seek remedies and damages to the fullest extent permitted by law, including criminal prosecution.

All entries become the property of BC Hydro and will not be returned. This contest is subject to all applicable federal, provincial and municipal laws.
