## TERMS AND CONDITIONS

1. To be eligible for payment of an incentive (“Incentive”) under the Power Smart New Home program (the “Program”) all of these terms and conditions must be met to the satisfaction BC Hydro and FortisBC Energy Inc. and FortisBC Energy (Vancouver Island) Inc. (together, “FortisBC” and formerly known as Terasen Gas), each acting in their sole discretion.
2. Payment of the Incentive is limited to new residential premises constructed in the BC Hydro service area, except where EnerGuide 80 is mandated by municipal bylaws or building codes. The Applicant warrants to BC Hydro and FortisBC that the residence(s) located at the address stated in the Development Information portion above is eligible for the Incentive (the “Development”).
3. To be eligible for the Incentive, the Applicant must apply within one year of project completion of the Development.
4. The Applicant acknowledges and agrees that the Development must be rated as a new home. In order for BC Hydro and FortisBC to confirm the homes and/or products meet the Program criteria, the Applicant will supply BC Hydro: (a) where applicable, a copy of the EnerGuide file number and approved EnerGuide rating for each EnerGuide rated housing unit. (b) Where applicable, the Applicant will supply for the relevant ENERGY STAR® product(s) installed in the Development copies of clear, legible, sales receipt(s) and/or invoice summaries to clearly indicate the manufacturer, model number or other relevant information as proof of payment about the ENERGY STAR product(s) installed in the Development. BC Hydro will not be responsible for any late, lost, incomplete, illegible, misdirected, delayed or destroyed application forms, and will not accept application forms related to previous iterations of this or similar programs.
5. All products installed in the Development must meet qualifications defined by BC Hydro and described in the Program website at: [bchydro.com/Powersmart/builders\\_developers/new\\_home\\_program.html](http://bchydro.com/Powersmart/builders_developers/new_home_program.html)
6. ENERGY STAR labelled products must be listed on the Natural Resources Canada website: [energystar.gc.ca](http://energystar.gc.ca) or the US government website: [energystar.gov](http://energystar.gov)
7. BC Hydro and FortisBC have the right to inspect the Development to verify the installed product(s) before an incentive is paid, and the Applicant will allow, if requested, a BC Hydro and/or Fortis BC representative reasonable access to the Development. No incentive will be paid if the inspection is refused.
8. The Applicant agrees that the selection, purchase, installation and ownership/maintenance of the appliances, products or equipment for which the Applicant is claiming a rebate or which is provided to the Applicant under the Program are its sole responsibility and that the provider(s) of same is/are not affiliated with BC Hydro or any of its Power Smart Programs or FortisBC, and that BC Hydro and FortisBC will not be liable for any act or omission of such provider. The Applicant understands that BC Hydro makes no representation or warranty, whether expressed or implied in respect of any such appliances, products or equipment that the Applicant has chosen or for which an Applicant has applied for an Incentive under the Program. The Applicant agrees that BC Hydro has no liability concerning: (a) the quality, safety, and/or installation of the products; (b) the estimated energy savings of the products; (c) the workmanship of any third parties; and (d) the installation or use of the products.
9. The Applicant releases from liability and agrees not to sue BC Hydro or FortisBC or any of their affiliates or any of their respective officers, directors, or employees for any loss or damage that the Applicant may suffer as a result of the installation or use of any appliances, products or equipment for which an Incentive is paid under the Program.
10. The Applicant is responsible for meeting all Program requirements and complying with any laws, regulations or by-laws regarding permits, codes, restrictions or inspections in relation to appliances, products or equipment installed.
11. BC Hydro and FortisBC’s decisions relating to the Program, including without limitation, product acceptability, customer eligibility and amount of the Incentive, shall be final and binding and not subject to appeal.
12. BC Hydro and FortisBC reserve the right to change or terminate the Program at any time without notice. A completed eligible application received prior to a change or termination of the Program will be administered in accordance with the Program as it existed effective as of the date of the Applicant Application.
13. The products approved for Incentives cannot be combined with any other BC Hydro Power Smart offer or promotion.
14. A rebate cheque is generally mailed with 90 days unless the Applicant’s application is selected for verification, which may result in additional processing time.
15. By applying for this offer, the Applicant acknowledges that BC Hydro, FortisBC or one of their agents may contact the Applicant in the future to participate in a survey regarding this program.
16. BC Hydro is collecting your personal information on this form for the purpose of processing your application for the Program Incentive. BC Hydro administers the Program and related activities in furtherance of BC Hydro’s energy conservation mandate and obligations under the Clean Energy Act and the Utilities Commission Act. If you have any questions regarding the Program, and/or the information collection undertaken on this form, please contact the BC Hydro Power Smart New Home program at [Powersmart@bchydro.com](mailto:Powersmart@bchydro.com)
