E2™ DUAL-FLUSH TOILET 1.28/1.1 GPF—ELONGATED

Niagara's E2™ dual-flush, high-efficiency toilet offers optimal water savings by allowing the option of flushing at 1.1 GPF (gallon per flush) for light or 1.28 GPF for a heavier flush option. This toilet is equipped with high-performance, push-button technology to ensure a full flush at the desired amount of water use. The E2™ will not only save water and money, but is virtually clog-free and doesn't sacrifice power for efficiency. Limited warranty.

Annual water savings of 19,600 Gallons*

*Based on two 1.1/1.28 GPF Toilets per household assuming 5.1 flushes per day 1.31 persons using each toilet.

Valid Models: **N2316**. Valid from July 1 to December 31, 2010. Limit 3 toilets per household. No cash value. Not redeemable at retailer or by mail-in. See reverse for rebate details. Offer applicable to BC Hydro and New Westminster Electrical Utility customers. This coupon is funded by the participating manufacturer.

Available online only at: www.eco-fitt.com/powersmart

How to receive your rebate: To receive your 50% off instant online rebate, purchase the selected toilet (see front of form) and complete the official order form online at www.eco-fitt.com/powersmart. Discount is activated when a valid postal code is entered in the billing information section of the purchase. Purchase must be made online by December 31, 2010.

Rebate offer valid for British Columbia residents within BC Hydro's service territory only. Product must be purchased for use in British Columbia. Limit—3 rebates per household (\$292.50 value). Not responsible for lost, misdirected or delayed claims. Online purchase order must be received by December 31, 2010. No submissions will be accepted from retailers, wholesalers, contractors, groups, clubs, organizations or associations. Online discount is instant.

Any personal information you provide to Eco-Fitt and BC Hydro online is collected and protected in accordance with the Freedom of Information and Protection of Privacy Act. BC Hydro is collecting information for the purpose of administering the coupon under the authority of its Tariff, the Hydro and Power Authority Act, the Utilities Commission Act, and related Regulations and Directions. If you have any questions regarding this coupon, please contact BC Hydro at 604 431 9463 or 1 877 431 9463 outside the Lower Mainland.
