

**\$10 MAIL-IN REBATE**

## Wall Fix Indoor / Outdoor Clothes Dryer

WallFix is wall mounted and always ready for use, so there's no need to carry or set up a drying rack each time. Just unfold it with a simple one-handed movement for a drying length of 25 metres—that'll take a full machine load of laundry. It then folds away into a compact, space-saving unit. By hanging laundry out to dry, consumers can save on electricity bills, prevent shrinkage and prolong the life of their clothes.

Valid Model: WallFix.

Valid from May 1 to September 30, 2009. Limit two WallFix dryers per household. No cash value. Rebate cheque by mail. Not redeemable at retailer. See reverse for rebate details. Offer applicable to BC Hydro and New Westminster Electrical Utility customers. This coupon is funded by participating manufacturers and BC Hydro. Available at participating Canadian Tire locations.

**How to receive your rebate:** To receive your \$10 rebate by mail, purchase the selected WallFix Indoor/Outdoor Clothes Dryer (see front of form) and complete the official rebate form below. Attach the UPC symbol(s) (the “barcode”) from the package and original cash register receipt(s) dated between May 1 and September 30, 2009 with the purchase circled.
