

# POWER SMART PRODUCT INCENTIVE PROGRAM LIGHT EMITTING DIODES (LED)

The Product Incentive Program provides financial incentives to organizations who replace inefficient products with energy-efficient technologies or add on products to existing systems to make them more efficient. Not all products are eligible. Please consult the BC Hydro web site at [bchydro.com/incentives](http://bchydro.com/incentives) for all program policies, eligible products and performance criteria before purchasing products.

For more information, call 1 866 522-4713.
