5. SELECTION OF WINNERS

At or about 12:00pm PT on October 14, 2014, a random draw will be conducted by the administrators of the Contest in Vancouver, BC to select two (2) entries from all eligible entries received during the Contest Period. All decisions of BC Hydro or its authorized representatives are final and binding in all matters relating to this Contest. Chances of winning are dependent upon the total number of eligible entries received. BC Hydro or its representative will attempt to contact each selected entrant by phone, followed by a confirmation email to the address the entrant provided in the online entry form (or mailed entry). If a selected entrant has not responded to the email within five (5) business days, or is contacted but is deemed to be ineligible in BC Hydro's sole discretion, or is unable or unwilling to comply with these rules, that selected entrant will be disqualified and another entry will be drawn. This process may be repeated until two (2) entrants have been declared winners.

The validity of all Contest entries will be determined by BC Hydro, whose decisions and interpretations on all matters relating to the Contest and these Official Rules are final and binding in all respects. BC Hydro reserves the right to disqualify any participant or winner and may refuse to award any prize to a person who is ineligible or has violated any rule, gained unfair advantage in participating in the Contest, or obtained winner status using fraudulent means.

Before being declared a winner, each selected entrant must have correctly answered, without assistance of any kind, whether mechanical or otherwise, a skill testing question. Accurate completion of the skill testing question on the electronic entry form will satisfy this requirement for electronic entrants that are selected. Mail-in entrants that are selected will be administered the skill-testing question upon selection and notification.

6. RELEASE

Within 48 hours of receipt thereof, each selected entrant will be required to sign and return an affidavit of eligibility and release form confirming compliance with these Contest rules and acceptance of prize as offered; releasing BC Hydro and their respective agents, subsidiaries, affiliates and representatives with respect to injuries, accident, loss or damages relating to the Contest or the awarding of the prize; and, except where prohibited, acknowledging BC Hydro's and its agents', subsidiaries' or affiliates' right to publish and/or broadcast the winner's picture, name, address, voices and statements, including but not limited to "tweeting" his/her name at www.twitter.com/bchydro and publishing his/her name on bchydro.com, without further compensation other than the prize offered.

If prize documents are not returned within 48 hours, prize will be forfeited and awarded to an alternate winner. In the event of noncompliance with these requirements (as applicable), or if prize notification is returned as undeliverable, such prize will be forfeited and an alternate winner selected from all remaining eligible entries received during the Contest Period.
