Attached document checklist

Current photographs must be submitted per pole top wireless **photo guideline**.

Please list any other attachments you have included with this application:

What are the next steps?

Upon receipt of your completed Step 1 application, BC Hydro will:

1. Complete an initial desktop review of your request to assess conceptual viability.
2. Reserve the pole(s) for up to 120 days.
3. Inform you if your request is approved to proceed to Step 2.

Project declaration

By signing this Pole Top Wireless application form, the Licensee hereby reconfirms that it has complied with all the requirements of the Master Services Agreement.

The Licensee confirms that it will obtain all necessary rights and authorizations, including but not limited to, public consultations, building and electrical permits, municipal permits and licenses, provincial permits and licenses and federal permits and licenses and agreement(s) from the current land owner(s) and/or land tenants/licensee(s).

The Licensee confirms their understanding that the application fee is non-refundable and all resubmissions will require a new application fee.
