

BC Hydro

RC Standards of Conduct – Listing of Transfers of Employees

Notices of any employee transfer to or from RELIABILITY COORDINATOR functions must be reported on the RELIABILITY COORDINATOR website. The information to be posted must include:

- the name of the transferring employee
- the respective titles held while performing each function (i.e., on behalf of the RELIABILITY COORDINATOR, marketing function or transmission provider, or marketing function or transmission affiliate), and the effective date of the transfer.

The information posted under this section must remain on the RELIABILITY COORDINATOR website for 90 days. BC Hydro's recent transfers to/from the RC function are:
