# BC Hydro guide for local governments

Quick access to key information on [bchydro.com](https://www.bchydro.com)

My Hydro and energy savings initiatives	
<b>My Hydro</b> <a href="https://www.bchydro.com/myhydro">bchydro.com/myhydro</a>	Log in to manage your account.
<b>Energy savings programs</b> <a href="https://www.bchydro.com/energysavings">bchydro.com/energysavings</a>	Learn how you can be smart with your power. Take advantage of rebates and programs.
Projects	
<b>Capital projects</b> <a href="https://www.bchydro.com/projects">bchydro.com/projects</a>	Learn more about major projects taking place in your region.
Programs	
<b>Beautification Program</b> <a href="https://www.bchydro.com/beautification">bchydro.com/beautification</a>	Find out more about our beautification program that provides financial assistance to municipal governments for conversion of overhead to underground facilities.
<b>Decorative wraps</b> <a href="https://www.bchydro.com/wraps">bchydro.com/wraps</a>	Learn about our program that provides financial assistance to municipal governments looking to install decorative wraps on BC Hydro pad-mounted equipment boxes.
<b>Community Regreening Program</b> <a href="https://www.bchydro.com/regreening">bchydro.com/regreening</a>	The regreening program assists municipalities with urban tree planting while helping to make sure appropriate trees are planted around power lines.
Community giving	
<b>Grants for community groups</b> <a href="https://www.bchydro.com/grants">bchydro.com/grants</a>	Learn about our grants for community groups and how to apply for them.
<b>Scholarships and endowments</b> <a href="https://www.bchydro.com/scholarships">bchydro.com/scholarships</a>	We look to build the next generation of engineers, electricians, and many other key roles who will help us deliver clean energy to our customers. Learn about our scholarships and endowments.
Electric vehicles	
<b>Fast charging stations</b> <a href="https://www.bchydro.com/ev">bchydro.com/ev</a>	Learn more about how clean and affordable power makes B.C. a great fit for electric vehicles.
Report an outage	
<b>Power outages</b> <a href="https://www.bchydro.com/outages">bchydro.com/outages</a>	Check the outage map or list to see if we already know your power is out. If not, call us at 1 800 BCHYDRO (1 800 224 9376) or *HYDRO (*49376) on your mobile phone to report it.
Report graffiti	
<b>How to report graffiti on our equipment</b> <a href="https://www.bchydro.com/graffiti">bchydro.com/graffiti</a>	We rely on the public to report graffiti on everything from our pad-mounted transformer boxes to our offices.
