All Proposal content should be submitted to the RFP Administrator Email address in accordance with Section 8.0.

- Revised:

The following table provides the required content for a complete Proposal under this RFP. A separate Proposal must be prepared for each Project, including a separate Proposal Fee and Bid Security. All Proposal content should be submitted to the RFP Administrator Email address and/or through a Proponent specific and secure folder of ShareFile in accordance with Section 8.0.

Sections 8.2, 8.3 and 8.4:

c) The wording in sections 8.2 - 8.4 has been updated as follows given Proponents may submit proposals via ShareFile, and instructions to do so will be provided to registered Proponents via their Primary Contact:

- Original:

8.2 Submission via RFP Administrator Email

Proposals must be delivered to the RFP Administrator Email address. Proposals delivered to any other BC Hydro address may not be considered or accepted. The Proponent is solely responsible for reviewing and complying with all Proposal requirements outlined in this RFP and all RFP terms and conditions applying to submission of a Proposal.

BC Hydro strongly recommends that Proponents allow sufficient time for uploading their Proposals to the RFP Administrator Email address to allow for any potential electronic delays or other issues.

BC Hydro strongly recommends that Proponents ensure that they are aware of, and comply with, any file size restrictions provided for on the RFP Website Address prior to submitting their Proposal.

8.3 Closing Time for Proposal Submission

Proposals must be received electronically at the RFP Administrator Email address at or before the Closing Time.

The time of receipt of a Proposal and any amendments or withdrawals will be determined by BC Hydro in accordance with the time and date of receipt at the RFP Administrator Email. BC Hydro reserves the right to consult with its IT service providers to determine, if reasonably possible, the time an email transmission was received on its email gateway system and, notwithstanding the time and date of receipt at the RFP Administrator Email, such time will be deemed to be definitive as to the date and time of receipt by BC Hydro.

Proposals received after the Closing Time will not be considered.

8.4 Revisions Prior to Closing Time

Delivered Proposals may be amended in writing via the RFP Administrator Email, provided such written amendment is received at the RFP Administrator Email prior to, but not after,

the Closing Time. Oral or faxed amendments will not be considered or accepted.

- Revised:

8.2 Submission via RFP Administrator Email

Proposals must be delivered either to the RFP Administrator Email address, and/ or through a Proponent specific secure ShareFile folder provided by BC Hydro prior to the Closing Time. ShareFile access will be provided by BC Hydro to all registered Proponents via the Primary Contact identified in the Schedule 1 Registration Form received by BC Hydro. It is the responsibility of the Proponent to ensure the Primary Contact is current.

Proponents may choose to: (i) exclusively use the RFP Administrator Email address; (ii) exclusively use Proponent specific secure ShareFile folder provided by BC Hydro; or (iii) a combination of both options. Proposals delivered to any other BC Hydro address will not be considered or accepted. The Proponent is solely responsible for reviewing and complying with all Proposal requirements outlined in this RFP and all RFP terms and conditions applying to submission of a Proposal.

BC Hydro strongly recommends that Proponents allow sufficient time for uploading their Proposal documentation to the RFP Administrator Email address and/or secure ShareFile folder provided by BC Hydro to allow for any potential electronic delays or other issues.

BC Hydro strongly recommends that Proponents ensure that they are aware of, and comply with, any file size restrictions provided for on the RFP Website Address and/or secure ShareFile folder provided by BC Hydro prior to submitting their Proposal.

***note: use of ShareFile for submission is only available in the US and Canada**

8.3 Closing Time for Proposal Submission

Proposals must be received electronically at the RFP Administrator Email address and/or a Proponent specific secure ShareFile folder provided by BC Hydro at or before the Closing Time.

The time of receipt of a Proposal and any amendments or withdrawals will be determined by BC Hydro in accordance with the time and date of receipt at the RFP Administrator Email address and/or a Proponent specific secure ShareFile folder provided by BC Hydro. BC Hydro reserves the right to consult with its IT service providers to determine, if reasonably possible, the time an email transmission or ShareFile upload was received on its gateway system and, notwithstanding the time and date of receipt at the RFP Administrator Email address and/or a Proponent specific secure ShareFile folder provided by BC Hydro, such time will be deemed to be definitive as to the date and time of receipt by BC Hydro.

Proposals received after the Closing Time will not be considered.

8.4 Revisions Prior to Closing Time

Delivered Proposal documents submitted by email may be amended and replaced in writing via the RFP Administrator Email, provided such written amendment is received at the RFP Administrator Email prior to, but not after, the Closing Time.

Delivered Proposal documents submitted by a Proponent specific secure ShareFile folder provided by BC Hydro may be amended and replaced by the Proponent on the ShareFile platform up to, but not after, the Closing Time. BC Hydro will only consider for its evaluation the most recent version based on timestamp of receipt in the ShareFile system provided it is received by the Closing Time.

Oral or faxed amendments will not be considered or accepted.

Section 14.5 No Liability for Delivery to the RFP Administrator Email

d) This section has been updated to reflect the ShareFile submission option as follows:

- Original

Notwithstanding Section 14.4 by submitting a Proposal to the RFP Administrator Email address, a Proponent irrevocably agrees that BC Hydro will in no manner whatsoever be responsible or liable, including in contract or tort (including negligence), for any mistakes, errors, omissions, oversights, statements, representations or warranties contained in any guideline, guidance or information, written or oral, given to the Proponent by or on behalf of BC Hydro regarding or in connection with the use of the RFP Administrator Email, or the RFP Website, including where such mistakes, errors, omissions, oversights, statements, representations or warranties lead or contribute, directly or indirectly, to the Proponent making mistakes, errors, omissions or oversights, or the Proponent's Proposal being rejected or disqualified.

- Revised

Notwithstanding Section 14.4 by submitting a Proposal to the RFP Administrator Email address or a Proponent specific secure ShareFile folder provided by BC Hydro, a Proponent irrevocably agrees that BC Hydro will in no manner whatsoever be responsible or liable, including in contract or tort (including negligence), for any mistakes, errors, omissions, oversights, statements, representations or warranties contained in any guideline, guidance or information, written or oral, given to the Proponent by or on behalf of BC Hydro regarding or in connection with the use of the RFP Administrator Email, the RFP Website, or ShareFile Platform, including where such mistakes, errors, omissions, oversights, statements, representations or warranties lead or contribute, directly or indirectly, to the Proponent making mistakes, errors, omissions or oversights, or the Proponent's Proposal being rejected or disqualified.

3. RFP Document – Section 7.3

Section 7.3 has been amended to reflect that the Bid Security letter of credit can be amended to increase the value of the letter of credit to meet the Performance Security requirements for projects that are awarded an Electricity Purchase Agreement.

- Original:

Bid Security in respect of a Proposal will be returned to the Proponent on the earlier of: (i) its Project not being awarded an EPA; (ii) if BC Hydro, either before or after evaluation of Proposals, cancels this RFP; and (iii) 180 days from the Closing Date. If the Proponent is selected as a Preferred Proponent and awarded an EPA in respect of a Proposal and withdraws or fails to execute the EPA, the EPA Side Letter and deliver the required Performance Security, the Proposal will be disqualified, and the Bid Security provided in respect of such Proposal will be forfeited to BC Hydro without limiting any other rights available to BC Hydro. If the Preferred Proponent duly executes the EPA, the EPA Side Letter and delivers the required Performance Security, such Bid Security will be returned to the Preferred Proponent.

- Revised:

Bid Security in respect of a Proposal will be returned to the Proponent on the earlier of: (i) its Project not being awarded an EPA; (ii) if BC Hydro, either before or after evaluation of

Proposals, cancels this RFP; and (iii) 180 days from the Closing Date. If the Proponent is selected as a Preferred Proponent and awarded an EPA in respect of a Proposal and withdraws or fails to execute the EPA, the EPA Side Letter and deliver the required Performance Security, the Proposal will be disqualified, and the Bid Security provided in respect of such Proposal will be forfeited to BC Hydro without limiting any other rights available to BC Hydro.

If the Preferred Proponent duly executes the EPA, the EPA Side Letter and delivers the required Performance Security, such Bid Security will be returned to the Preferred Proponent. BC Hydro will also allow for the Letter of Credit comprising the Bid Security to be amended to reflect that it is for the purpose and amount of Performance Security under the EPA in which case there will be no return of Bid Security to the Preferred Proponent.
