To: Registered Entities in the Mandatory Reliability Standards Program

June 14, 2019

Mr. Patrick Wruck
Commission Secretary and Manager
Regulatory Support
British Columbia Utilities Commission
Suite 410, 900 Howe Street
Vancouver, BC V6Z 2N3

Dear Mr. Wruck:

**RE: British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Mandatory Reliability Standards (MRS) Assessment Report No. 12 (Report)
Addressing Reliability Standards for Adoption in British Columbia
Compliance with BCUC Order No. R-14-19 Directive 2**

BC Hydro writes in compliance with Directive 2 of BCUC Order No. R-14-19 (the **Order**) to notify each entity registered in the MRS Program that the BCUC has established a regulatory process to review the Report.

A copy of the Order, including the regulatory timetable establishing a written process, is provided in Attachment 1 and is also posted as Exhibit A-2 on the BCUC website at this [link](#). B.C. Registered Entities are requested to provide comments on the Report and to comment specifically on their foreseen compliance with Reliability Standard PRC-025-2. Any Entity that has identified foreseen obstacles to 100 percent compliance with PRC-025-2 is requested to identify what these obstacles are that prevent 100 per cent compliance to PRC-025-2's B.C. effective date. Please also include any proposals to address this. Please note that the date for submitting written comments to the BCUC and BC Hydro is July 5, 2019.
