Dear Mr. Wruck:

RE: Project No. 1598978
British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Application for Reliability Coordinator (RC) Registration with the
Mandatory Reliability Standards (MRS) Program
Procedural Conference Rescheduling Request

BC Hydro writes to request a change in the date of the Procedural Conference in the Application for Reliability Coordinator Registration proceeding. BC Hydro respectfully requests that the Procedural Conference, currently scheduled for Thursday January 10, 2019, be moved to a date following the submission of BC Hydro's responses to Information Requests (**IRs**). Based on the Regulatory Timetable issued as Appendix A to Commission Order No. G-253-18, BC Hydro responses to IRs are currently due on Wednesday January 16, 2019.

BC Hydro discussed the proposed schedule change with FortisBC, who are supportive of moving the Procedural Conference. Both BC Hydro and FortisBC agree that parties may find it helpful to have seen the responses to the IRs in order to make informed submissions pertaining to a process going forward. BC Hydro and FortisBC recommend that the procedural conference be held on Monday January 21, 2019.

For further information, please contact Geoff Higgins at 604-623-4121 or by email at bchydroregulatorygroup@bchydro.com.

Yours sincerely,

Fred James
Chief Regulatory Officer
