Commission Secretary and Manager
Regulatory Support
British Columbia Utilities Commission
Suite 410, 900 Howe Street

Dear Mr. Wruck:

**RE: British Columbia Utilities Commission (BCUC or Commission)
Borex Ocean Falls Limited Partnership - Extension Request to File the
2019 Rate Application**

BC Hydro writes to respond to the Commission's letter dated August 20, 2019 requesting participants to comment on Borex Ocean Falls Limited Partnership's (Borex) request for an extension to the filing date of its rate application to no later than September 30, 2019 (**Extension Request**).

Although BC Hydro is disappointed with Borex's request for an extension, it does not oppose the Extension Request. However, BC Hydro would likely oppose any further extension request past the September 30, 2019 proposed filing date.

For further information, please contact Anthea Jubb at 604-623-3545 or by email at bhydroregulatorygroup@bhydro.com.

Yours sincerely,

(for) Fred James
Chief Regulatory Officer
