---

BC Hydro writes to request an extension to the filing date for its responses to BCUC and Intervener Round 3 IRs as outlined in BCUC Order No. G-111-20 on May 12, 2020.

BC Hydro has reviewed the BCUC and intervener IRs and identified that a number of BC Hydro resources required to respond to them are engaged in urgent COVID-19 customer relief work or operations work that has also been affected and need more time to respond.

Accordingly, BC Hydro respectfully requests that the regulatory timetable be amended as follows:

<b>Action</b>	<b>Original Date (2020)</b>	<b>Proposed Date (2020)</b>
BC Hydro written responses to IR No. 3	June 5	June 19
BC Hydro final argument	June 15	June 29
Intervener final argument	June 22	July 6
BC Hydro reply argument	June 29	July 13
