Dear Mr. Wruck:

**RE: British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
City of Coquitlam (City) Application for Reconsideration and Variance of
Order G-80-19 (Reconsideration Application)**

BC Hydro writes in response to the BCUC's letter dated May 11, 2020,¹ in which it requested further submissions on process regarding the Reconsideration Application.

BC Hydro has reviewed the City's submissions provided in its letter dated May 20, 2020,² in which it advised that it is proceeding at this time with its appeal of decisions the BCUC made in Orders G-80-19 and G-75-20, regardless of whether the adjournment ordered in paragraph 2 of Order G-150-19 is continued. The City confirmed that, in its view, it would be most efficient for the BCUC to continue that adjournment pending the City's appeal.

BC Hydro does not oppose the City's request that the BCUC continue the adjournment ordered by Order G-150-19 until the City's appeal is decided. However, if the BCUC chooses to continue at this time with the Reconsideration Application, BC Hydro is prepared to participate in the proceeding.

Yours sincerely,

Fred James
