Mr. Patrick Wruck
Commission Secretary and Manager
Regulatory Support
British Columbia Utilities Commission
Suite 410, 900 Howe Street
Vancouver, BC V6Z 2N3

Dear Mr. Wruck:

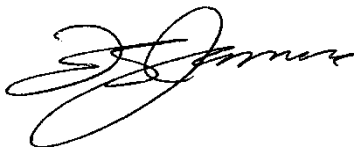

RE: Project No. 1599004
British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Application to Amend Net Metering Service under Rate Schedule (RS) 1289
Response to Exhibit A-22

BC Hydro writes in response to the BCUC's letter of February 6, 2020 which requested BC Hydro's submission on whether the late response from Peace Energy A Renewable Energy Cooperative (**PEC**), to BCOAPO's information requests, should be accepted onto the evidentiary record and, if the responses are accepted, whether BC Hydro has any additional rebuttal evidence to file.

In BC Hydro's view, PEC's responses should be accepted onto the evidentiary record. BC Hydro does not have any additional rebuttal evidence to file in response to PEC's submission. However, as indicated in BC Hydro's Rebuttal Evidence, silence on a particular aspect of intervenor evidence should not be interpreted as agreement.

For further information, please contact Chris Sandve at 604-974-4641 or by email at bchydroregulatorygroup@bchydro.com.

Yours sincerely,

Fred James
Chief Regulatory Officer
