Dear Mr. Wruck:

RE: Project No. 1599046
British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Boralex Ocean Falls Limited partnership (Boralex LP)
Application for Rates and Terms and Conditions for Service to BC Hydro
BC Hydro Submission Regarding Regulatory Process

BC Hydro writes to respond to Commission's letter, Exhibit A-11 dated May 11, 2020, requesting registered interveners to make submissions on further regulatory process by May 26, 2020. BC Hydro has had an opportunity to review the submission made by Boralex LP on May 19, 2020 in response to the Commission's request on further process.

BC Hydro submits we do not intend to file any evidence in this proceeding. BC Hydro agrees with the comments submitted by Boralex LP with respect to the need for a negotiated settlement process and is of the view that no additional process is required before proceeding to final argument.

With respect to timing of next steps, BC Hydro respectfully suggests that final argument be submitted by Boralex LP by the end of June 2020, interveners be provided with two weeks to complete their final arguments and Boralex LP be provided with two weeks to reply.
