Commission Secretary and Manager  
Regulatory Support  
British Columbia Utilities Commission  
Suite 410, 900 Howe Street  
Vancouver, BC V6Z 2N3

Dear Mr. Wruck:

**RE: Project No. 1599190  
British Columbia Utilities Commission (BCUC or Commission)  
British Columbia Hydro and Power Authority (BC Hydro)  
Public Electric Vehicle Fast Charging Rate Application**

---

BC Hydro writes to submit Information Request No. 1 on the intervener evidence of Suncor Energy Inc., Exhibit C20-4:

1. Can Suncor please confirm that they are an exempt utility, as the term is used in Commission Order No. G-66-19 in respect of the British Columbia Utilities Commission Inquiry into the Regulation of Electric Vehicle Charging Service?
2. Can Suncor please confirm whether they provide electric vehicle fast charging services in the municipalities or regions of British Columbia that are also served by other exempt and municipal electric vehicle fast charging service providers (that are not for the purposes of at home or at work charging)?
3. To the best of Suncor's knowledge, how many other exempt and municipal providers of electric vehicle fast charging services (that are not for the purposes of at home or at work charging) operate in the municipalities or regions of British Columbia where Suncor provides electric vehicle fast charging services and what are the names of these other providers?
4. To the best of Suncor's knowledge, what are the rates charged by other exempt and municipal providers of electric vehicle fast charging services (that are not for the purposes of at home or at work charging) that operate in the municipalities or regions of British Columbia where Suncor provides electric vehicle fast charging services?
5. Can Suncor please define the expression "loss leader" (in economic terms)?
6. Can Suncor please define the expression "economic rent" (in economic terms)?
