Mr. Patrick Wruck
Commission Secretary and Manager
Regulatory Support
British Columbia Utilities Commission
Suite 410, 900 Howe Street
Vancouver, BC V6Z 2N3

Dear Mr. Wruck:

**RE: British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Mandatory Reliability Standards (MRS)
Assessment Report No. 14 (Report)**

BC Hydro writes in compliance with BCUC Order R-5-21 to provide its response to written public and registered entity comments.

FortisBC Inc. provided the only stakeholder comments on the Report, requesting that the BCUC ensure that the erratum that was filed by BC Hydro on May 6, 2021 to Appendix C-3, be included for the record and requesting the status of the BC Hydro MRS Planning Coordinator Assessment Report.

BC Hydro agrees that the erratum to Appendix C-3 should be included for the record and confirms that the MRS Planning Coordinator Assessment Report was filed with the BCUC on May 31, 2021.

For further information, please contact Alicia Henderson at 604-623-4381 or by email at bchydroregulatorygroup@bchydro.com.

Yours sincerely,

Chris Sandve
Chief Regulatory Officer
