Dear Ms. Tresoglavic:

**RE: British Columbia Utilities Commission (BCUC or Commission)  
British Columbia Hydro and Power Authority (BC Hydro)  
Site C Clean Energy Project  
Quarterly Progress Report No. 18  
Response to BCUC Request for Anticipated Timing for Filing**

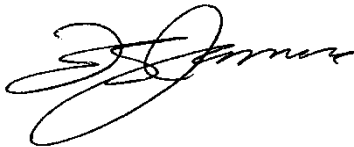

---

BC Hydro writes to provide the BCUC with an update on the filing of the Site C Clean Energy Project Quarterly Progress Report No. 18 as requested in its letter dated June 10, 2020.

BC Hydro will be filing the combined Site C Clean Energy Project Quarterly Progress Report No. 18 and the Annual Report No. 4 as one document during the week of July 15, 2020. The filing of the report was delayed due to Site C project team priorities shifting in recent months to actively respond to and manage the emerging COVID-19 global pandemic.
