Mr. Patrick Wruck
Commission Secretary and Manager
Regulatory Support
British Columbia Utilities Commission
Suite 410, 900 Howe Street
Vancouver, BC V6Z 2N3

Dear Mr. Wruck:

**RE: British Columbia Utilities Commission (BCUC or Commission)
British Columbia Hydro and Power Authority (BC Hydro)
Fiscal 2023 to Fiscal 2025 Revenue Requirements Application**

BC Hydro writes to file a correction to Appendix II of its Fiscal 2023 to Fiscal 2025 Revenue Requirements Application (**Application**), filed on August 31, 2021.

Table II-1 of Appendix II contains the proposed fiscal 2023 to fiscal 2025 rates. However, it incorrectly shows the Deferral Account Rate Rider (RS 1901) to be zero over the future three-year period. As shown in section 1.4.1 (Chapter 1, page 1-49) of the Application, BC Hydro is requesting approval to set the Deferral Account Rate Rider to be -2.0 per cent in fiscal 2023, -1.0 per cent in fiscal 2024 and -0.5 per cent in fiscal 2025. Therefore, BC Hydro has corrected the Deferral Account Rate Rider values in Table II-1 of Appendix II, and which is enclosed as Erratum No. 1.

For further information, please contact Joe Maloney at 604-623-4348 or by email at bchydroregulatorygroup@bchydro.com.

Yours sincerely,

Chris Sandve
Chief Regulatory Officer
