

Residential and Non-Integrated Areas Rate Design Workshop Feedback

INTRODUCTION:

We're preparing to submit Rate Design Applications to the BC Utilities Commission.

We plan to submit an application to propose rate options and/or changes for residential customers, Non-Integrated Areas rates, Net Metering Rate, and proposed updates to the Electric Tariff Terms and Conditions. In addition, we plan to advance an application to update our Distribution Extension Policy.

We're asking for your feedback to inform the new rate options and updates we advance through these applications. Please refer to the workshop presentation slides for information as you complete this survey. For each question, we have indicated if there are relevant presentation slides that you should be referencing.

Please be aware that your feedback, including the organization you're representing, will be included in these applications and be part of the public record for the regulatory proceeding. Due to privacy concerns, we ask that you do not identify third-party individuals or account specific information in your comments. Comments that reference identifiable individuals will not be included as part of the public record.

Any personal information you provide to BC Hydro on this form is collected and protected in accordance with the Freedom of Information and Protection of Privacy Act, Section 26(c). BC Hydro is collecting information with this for the purpose of rate design in accordance with BC Hydro's mandate under the Hydro and Power Authority Act, the BC Hydro Electric Tariff, the Utilities Commission Act and related Regulations and Directions. If you have any questions about the collection or use of the personal information collected on this form, please contact the BC Hydro Regulatory Group at bchydroregulatoryfeedback@bchydro.com

Please submit your feedback by December 15th, 2023.

RESIDENTIAL SERVICE AND NON-INTEGRATED AREAS (NIA)

We would like to get your feedback on the issues discussed during the Residential and Non-Integrated Areas (NIA) Rate Design Workshop. Please refer to the presentation found on [Public workshops & feedback \(bchydro.com\)](#).

SECTION ONE: JURISDICTION REVIEW - WHITEPAPER

Now we are going to ask you about the jurisdiction review content shared by The Brattle Group. Please answer based on the individuals you represent.

We'd like to get your feedback to inform the whitepaper that The Brattle Group is preparing to inform our rate design efforts. Please refer to slides 17 through 45 from The Brattle Group in the presentation.
