Appendix 1 – List of BC Hydro Facilities

Below is a list of facilities that are subject to the requirements of this Integrated Vegetation Management Plan. This list may change as sites are developed or decommissioned, or as BC Hydro agrees to manage additional sites for itself or others over the five-year term of the plan. For an up-to-date list, check this online link: <https://www.bchydro.com/content/dam/BCHydro/customer-portal/documents/corporate/safety/secured-facilities-list-2013.pdf>http://www.bchydro.com/safety/vegetation_and_powerlines/substation_weed_control.html.
