

ATTACHMENT B

Form of Service Agreement for Long-Term Firm Point-To-Point Transmission Service

1. This Service Agreement, dated as of _____, is entered into, by and between _____ (the Transmission Provider or BC Hydro), and _____ (the Transmission Customer).
2. The Transmission Customer has been determined by the Transmission Provider to have a Completed Application for Long-Term Firm Point-To-Point Transmission Service under the Transmission Provider's OATT (the Tariff).
3. The Transmission Customer has provided to the Transmission Provider an Application deposit in accordance with the provisions of Section 17.3 of the Tariff or the Transmission Customer has satisfied the Creditworthiness Criteria as set out in Attachment L of the OATT.
4. Service under this agreement shall commence on the later of: (1) the requested service commencement date; or (2) the date on which construction of any Direct Assignment Facilities and/or Network Upgrades are completed; or (3) such other date as it is permitted to become effective by the Commission. Service under this agreement shall terminate on such date as mutually agreed upon by the parties.
5. The Transmission Customer acknowledges that, prior to entering this Service Agreement, the Transmission Provider has determined that at the end of the contract term of this Service Agreement,
 - (a) there is **sufficient** capacity to accommodate both the future rollover of this Service Agreement by the Transmission Customer and to provide service to Transmission Customers having earlier priority for transmission service.
