

Attestation of New Network Resource

Pursuant to Section 29.2(h) of BC Transmission Corporation's Open Access Transmission Tariff (OATT), < Network Customer>, the Network Customer, hereby attests that for each of the designated Network Resources identified in OASIS <request reference no.>:

- (1) the Network Customer owns the resource, has committed to purchase generation pursuant to an executed contract, or has committed to purchase generation where execution of a contract is contingent upon the availability of transmission service under Part III of the Tariff, and
- (2) the Network Resources do not include any resources or any portion thereof, that are committed for sale to non-designated third party load or otherwise cannot be called upon to meet the Network Customer's Network Load on a non-interruptible basis, except for purposes of fulfilling obligation under a reserve sharing program.
