RE: Proposed Changes to TTC/ATC Business Practice, Posted on Aug 10, 2021

Dear Ms. Ambrosi,

Powerex has reviewed the proposed changes to the Total Transfer Capability/Available Transfer Capability Business Practice that was posted August 10, 2021. Powerex is supportive of the proposed changes to the Business Practice. Powerex appreciates that BC Hydro has considered the original request from BC Hydro Power Supply (BCPS), as well as the customer comments, and has modified its business practice to account for firm counterflow.

Sincerely,

Connor Curson
Trade Policy, Powerex
