

## Supply of Losses Election Form

Date: \_\_\_\_\_

Pursuant Section 15.7 of BC Hydro's Open Access Transmission Tariff (OATT),

\_\_\_\_\_ (the "Transmission Customer")

elects with regards to the Supply of Losses:

- Purchase Loss Compensation Service from BC Hydro
  - Rate Schedule 09
  
- Self-supply Losses
  - Rate Schedule 10

The Transmission Customer is required to make an election annually with regards to the Supply of Losses. If an election is not made, the Transmission Customer is deemed to have elected to purchase Loss Compensation Service. The annual election period is from April 1 to 15.

A Transmission Customer who has elected to purchase Loss Compensation Service cannot change its election until the annual election period.

A Transmission Customer who has elected to Self-Supply may not change its election to purchase Loss Compensation Service from BC Hydro prior to the annual election period.
